GLOBAL PROJECT POLICY & LEGAL NOTICE

This Project Policy ("Policy") governs the access, viewing, use, and interaction with all projects, case studies, designs, source code, animations, interfaces, workflows, concepts, documentation, and related materials ("Projects") displayed on this website ("Website"). This Policy is drafted to comply with applicable laws of India and major international legal frameworks including but not limited to intellectual property, copyright, contract, data protection, cybercrime, and unfair competition laws. By accessing or viewing any Project, you agree to be legally bound by this Policy.

1. OWNERSHIP & INTELLECTUAL PROPERTY RIGHTS

All Projects displayed on this Website are protected intellectual property. Ownership of each Project remains with either: (a) the Website owner, or (b) the respective client or rights holder. No ownership, assignment, or transfer of intellectual property rights is granted to any visitor, user, or third party by mere viewing or access.

2. COPYRIGHT PROTECTION (GLOBAL)

All content is protected under international copyright conventions and laws, including but not limited to: - Berne Convention for the Protection of Literary and Artistic Works - TRIPS Agreement (WTO) - Copyright Act, 1957 (India) - DMCA (United States) - EU Copyright Directive - UK Copyright, Designs and Patents Act Unauthorized reproduction, copying, adaptation, storage, transmission, public display, resale, distribution, scraping, mirroring, or derivative creation is strictly prohibited.

3. SOURCE CODE & TECHNICAL ASSETS

Source code, scripts, frameworks, animations, shaders, logic flows, algorithms, and technical architecture displayed or implied are confidential and protected. You are strictly prohibited from: - Copying or extracting source code - Reverse engineering functionality - Using similar logic to recreate competing products - Training AI models using Project content

4. DESIGN, UI/UX & CREATIVE ELEMENTS

All UI/UX designs, layouts, transitions, animations, color systems, typography, interaction patterns, and motion logic are protected creative works. Any visual similarity intended to replicate or derive inspiration for commercial or competitive use shall constitute infringement.

5. PORTFOLIO DISPLAY LICENSE

Projects are displayed solely for portfolio, demonstration, and skill-representation purposes. No license is granted for reuse, redistribution, sublicensing, modification, or commercial exploitation of any kind.

6. CONFIDENTIALITY & TRADE SECRETS

Projects may contain confidential business processes, internal workflows, proprietary logic, or trade secrets. Any attempt to infer, analyze, extract, or misuse such information shall be treated as breach of confidentiality and unfair competition.

7. CLIENT & THIRD-PARTY RIGHTS

All client names, logos, trademarks, and brand assets are the property of their respective owners. Their presence does not imply endorsement, partnership, or availability for reuse.

8. DATA PROTECTION & PRIVACY

No personal, client, or user data is made available through Projects. Any attempt to access backend systems, APIs, databases, credentials, or servers constitutes unauthorized access under global cybercrime laws including: - Information Technology Act, 2000 (India) - Computer Fraud and Abuse Act (USA) - GDPR & EU Cybercrime Directives - UK Computer Misuse Act

9. PROHIBITED ACTIVITIES

You must not: - Screenshot Projects for resale or teaching - Use Projects in pitches or proposals - Create competing or confusingly similar products - Remove watermarks or attribution - Bypass security or access controls

10. AI, AUTOMATION & DATA SCRAPING

Use of Projects for: - AI training - Dataset creation - Web scraping - Automated extraction is strictly prohibited without express written consent.

11. DISCLAIMER

All Projects are provided "as-is" for viewing only. No warranties are provided regarding accuracy, completeness, performance, or fitness for any purpose.

12. LIMITATION OF LIABILITY

Under no circumstances shall the Website owner be liable for any direct, indirect, incidental, consequential, or punitive damages arising from misuse or reliance on Project content.

13. ENFORCEMENT & REMEDIES

Violations may result in: - Immediate access termination - Legal notices - Injunctions - Monetary damages - Criminal prosecution under applicable law

14. GOVERNING LAW & JURISDICTION

This Policy shall be governed by the laws of India. International violations may be pursued under applicable foreign laws and treaties. Courts located in India shall have primary jurisdiction, without prejudice to international remedies.

15. POLICY UPDATES

This Policy may be updated at any time without notice. Continued access constitutes acceptance of the revised Policy.

16. CONTACT & LEGAL NOTICE

For legal inquiries, takedown requests, or rights concerns, contact the Website owner through officially published communication channels.
